Each person pre-registering will get 2 Pilot Raffle Tickets, a shirts, and a small plaques. We will have these items for sale in limited quantities for those that register on site. We will also have hats for sale.

The reason for the cut off is so we have time to get shirts, hats and plaques ordered.

We are trying to negotiate a better camping price with State Parks but at this time we are still at \$25.00 per night for “dry camping”.

If you plan on coming in early or staying late free camping spaces will be available at our air field.

Watch this site for more information as it becomes available.
